Easy Giving!

Giving back to O’Dowd has never been easier! You can support EVERY student at O’Dowd every time you buy groceries or shop...without spending an additional penny. How? Two easy ways:

Amazon: If you enter Amazon through the O’Dowd Amazon Associates link, each purchase provides an average of 5% on the transaction back to the school...at no added expense! In addition to going through the school website to access the link, you can also:

- Use the URL bit.ly/easygiving – it will redirect you to the O’Dowd link. Shop as usual—you can still log in and use your personal Amazon account and O’Dowd gets qualified rebates!

Bookmark the page on your desktop:
- Chrome: click the star on the far right side of the URL
- Safari: click the “share” button (looks like a box with an arrow pointing up) and select “Add Bookmark”

- If you are someone who shops primarily using your cell phone, you can even create a shortcut that acts just like an app!

Open up the Safari browser and enter the URL bit.ly/easygiving, then:

On an iPhone:
- After it loads, click on the “share” icon at the bottom (looks like a box with an arrow pointing up)
- From there you can either
  - “Add Bookmark” OR (even easier)...
  - “Add to Home Screen”
    - This option creates an icon that looks just like an app!
    - You will never have to remember the URL again and O’Dowd gets 2-10% (average of 5%) on every transaction!

On an Android:
- Tap “Menu” and after the menu appears at the bottom of the screen, select “Add Bookmark”

eScrip: This well-known rebate program allows you to designate a charity for any rebates earned. (P.S. Still have kids at another school? You can designate more than one recipient!)

- eScrip rebates can be earned at Lucky Supermarkets, Mollie Stones, Lunardi’s, Piedmont Grocery and other specialty retailers
- Go to escrip.com
  - Sign in (if you already have an account) or sign up
  - Select the option to manage your personal account
  - Designate “Bishop O’Dowd High School” as a non-profit to receive contributions
  - Register your credit cards and grocery club cards from participating merchants and Voila! Do it once and forget about it!

Giving back has never been easier!
