## Order and Pay for school meals online

1/25/2021

Parents and Guardians,

Welcome to My School Bucks Online Ordering and Declining Balance! We recommend pre-ordering to guarantee your student will receive the lunch of their choice. We know that tasty and nutritious food can help boost concentration, morale too, which is crucial for well-being! Our meals are packaged and labeled according to HACCP standards, in compostable packaging. We are working closely with our Campus Communities to determine your favorites! Please give us your feedback via email [james@epicurean-group.com](mailto:james@epicurean-group.com). Our primary concern is the health and well-being of the students, campus community, and employees.

The purpose of this letter is to inform you that Epicurean Group is requesting your support in the process of going online for guaranteed meals or declining balance at the cafe. Use the online ordering system to pre-order guaranteed meals for your student.
