

### **How to Get Results**

Please go to [www.pmhlaboratory.com](http://www.pmhlaboratory.com) to access your results.

To access your results:

1. Scroll down to the **Patient test results** tab
2. Click on sign in
3. Click on register
4. Enter your email address
5. Check the box that states "I agree to the Terms of Service and Privacy Policy"
6. An email will be sent to you
7. Following the instruction to set your password
8. Go back to the login page
9. Login with your email and new password
10. You will be able to see all current results

If you are having problems logging in, please email: [results@pmhlaboratory.com](mailto:results@pmhlaboratory.com) or 562.592.2890

Thank you,

PMH Laboratory, Inc
